

Weekly Reading Log  
Mrs. Brandow Room 19

Directions: Every day students fill in their book title, the amount of pages read at school and at home as well as checking if the book will be continued, finished or abandoned. They need to be responsible for transporting the reading log to and from school daily. Parents initial it each day to verify at home reading. When a book is completed they need to return to school and take the AR test. Students will record their score. At the end of each month I will take their top two AR tests for a reading grade. For the AR score to be considered for a grade the book must be at each individual student's just right level or higher.
